

## Exercício 2

Create a page like the one on the following image:

The favicon for the page is in the favicon.ico file. The title is “Opel: Autohersteller will E-Manta auf den Markt bringen – Comeback aus der Krise - DER SPIEGEL”.

The contents of the page should have a maximum width of 1060px and be centered on the page.

The background color of the page is rgb(241,239,237), and the background-color of the content is white.

Use Arial for the text and headings. The paragraphs have a 1.5 line height.

## Header

The header has a background color of rgb(230,68,21) and is 80px height. The logo is on the logo.svg file, is centered vertically and has a left space of 50px.

## Content

The content of the page, except for the header and the footer, has a space around it of 50px.

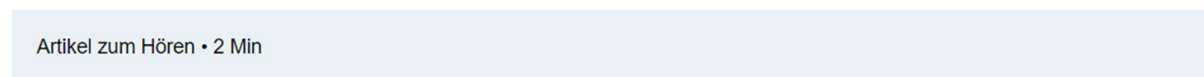

The sub-title “Comeback aus der Krise”, has the #e64415 color. It should be bold and has the standard font size.

The title “»Boah ey« - Opel will E-Manta auf den Markt bringen” has a size of 44px.

The color of the date/time is #807e7c.

10.10.2023, 12.37 Uhr

The text “Artikel zum Hören • 2 Min” has a background-color of rgb(233, 241, 245). The text has 20px of space around it

## Icons

The icons are black – use the following files: social\_x.svg, facebook.svg, envelop.svg and copylink.svg. The horizontal space between the icons is 30px. They have a fake link associated with them (use href="#" ) and when the cursor is on top of an icon the opacity changes to 0.7.

The container of the icons has a 1px dotted line above and below with the color #dddbd9.

## Photo

The photo is on the opel\_chef.webp file.

The caption size is 14px and the color is rgb(128, 126, 124). On the image's caption, the text "Foto: Sascha Fromm / IMAGO" has a color of #bbb9b7.

## Page text

There are some links on the text (see text.txt file to get the links):

- Opel
- »Augsburger Allgemeinen«
- Deutschland
- jedoch eher wie ein SUV daherkommen

The color of these links is #e64415.

[»Augsburger Allgemeinen«](#)

When the cursor is on top of one of these links the color of the link changes to rgb(47,45,43).

[»Augsburger Allgemeinen«](#)

The link "»Augsburger Allgemeinen«" includes an image (externallink.svg) that should be vertically aligned to the bottom of the text. The width of this image should be 12px and the height, 16px. This link allows the user to open an external site – this site should open in a new tab/window.

## Mehr zum Thema

This "Mehr zum Thema" section has 3 articles with the following images: article1.webp, article2.webp and article3.webp.

### Mehr zum Thema

Messe IAA: Darf's ein E-Auto für 16.990 Euro sein? Oder eins für eine Million? Von Thomas Geiger

Autogramm Opel Astra Electric: Elektrisch, aber vertraut Von Thomas Geiger

Höhere Preise, niedrigere Kosten: Opel-Mutterkonzern Stellantis verdient fast 17 Milliarden Euro

The "Mehr zum Thema" title has a color of #e64415 and a font size of 20px.

The titles are bold, and the color for the article's author is rgb(128, 126, 124). The article's author text is 2px smaller than the standard text size.

The images have a space of 100px between them and the text on their left.

The lines between the articles have the same CSS properties as the lines around the icons. There should be a space between the lines and the content.

## Mehr lesen über

On the "Mehr lesen über" section, the title has the same properties as the "Mehr zum Thema" title.

The "buttons" are links (use fake links) transformed to look like buttons. They have a border with a color of rgb(221, 219, 217) which is spaced 10px from the link. The text of the links is black. The space between the links is 20px.

### Mehr lesen über

When the cursor is on top of one of these links, the background color should change to rgb(241,239,237) and the border color should change to black.

## Footer

The footer has a background-color of rgb(47,45,43).

The title is white. The links (use fake links - <a href="#">) have a size of 12px, a #bbb9b7 color, a space of 10px between them, and when the cursor is on top of them, the color changes to #f1efed:
